

“My Sister, Marie”

A children’s book on sibling loss

Jenn Carter, a volunteer and sibling loss facilitator at Bereaved Families of Ontario – Durham Region, has written a children’s book on the experience of losing a sibling. Jenn attended and greatly benefited from the sibling loss support group at BFO Durham when she was a preteen, after the loss of her older sister Julie.

This book touches on the lived experience of losing a sibling at a young age, and the emotions, events and feelings that come along with this difficult time as a family.

“My Sister, Marie” will be available for pick-up at the BFO Durham office this December, for a minimum donation of \$20 (can be paid by cash or via e-transfer to bfodurham@bellnet.ca).

Please send an email to our BFO email address above to reserve your copy.

In loving memory of Julie Marie Carter –
the funniest, bravest person you could ever meet.
